

Access Statement

St Peter's Trust seeks to provide a community space that is as access friendly as possible; given the distinct age and nature of the building and surrounding green spaces. In order to plan your time, the following information provides details and photographs pertaining to the building and available facilities. Whilst this information is primarily focused on mobility issues, the Trust also plans to increase access for visually impaired visitors through a greater use of audio technology.

This access statement does not contain personal opinions as to the suitability for those with particular access needs, but aims to accurately describe the facilities and services that we offer to all our guests/visitors.

Access Statement for St Peter's Marlborough

St Peter's Marlborough is a former church situated at the west end of Marlborough's High Street. The building is approached by a flat path, leading to a level access door into the main building. The main building comprises of a large flat area with a small ramp leading up to the Nave. It is via the Nave you can access our toilets and there is another small ramp on the approach.

Parking for St Peters can be found on the High Street and is all at road level, with no curbs or steps.

The High Street has parking is close to the entrance of St Peter's and there are spots even closer for blue badge holders.

The entrance to the grounds is all one level as is the path leading to the main door to the building.

Level access door to the building which is wide enough for wheelchairs.

The main building is all one level.

Access to the toilets via two small ramps in the Nave
